### Testimony from Winners

“First and foremost we would like to thank you so much for giving Aishwarya such an honor. This award improves her self confidence. In this COVID situation, this type of competition engaged her very interestingly and upgraded her knowledge in different domains. Dressing, speech delivery, camera actions, cleanliness, the importance of the government rules. She and our family enjoyed thoroughly. As I mentioned earlier in the application, she belongs to Bengaluru. Her family trapped here due to COVID.” - VIJI PARTHASARATHY, ASST. PROF. SRIRANGAM (***Aishwarya, Winner of Kurumpadam event***)

“Thanks a lot it is a big surprise and a motivation for me. This achievement is close to my heart.” - BALAKRISHNAN, CHENNAI (***Winner of Kurumpadam event***)

“The events were quite interesting while looking at the brochure.. Being in very boredom situation in the lock down period, I tried to participate and perform my best in this. It consumed my time effectively and I could do some productive work at the end. Myself and my family members were very much delighted that I have some hidden talent. We thought that it is very much possible to improve this talent by participating in such events. The outcome is really amazing. I didn't participated in any kind of presentation events in school. But my teachers and parents motivated in all these days, and this made me to utilize this lockdown period effectively. I thank my Principal, teachers and parents who are really behind the success of this achievement. Also the Intellect team keep on motivated through their mails that my involvement is good and I am doing the great. Those words were really motivated me to become the winner. Thanks everyone.” - SAMPRITHI LAKSHMI JS, CHENNAI (***Winner of Confluence event***)

“I am delighted to be a part of this wonderful event Intellect 2020, and especially pleased to have the opportunity to share my thoughts and observations about it. Basically I am interested to participate in several competitions held by my school and various colleges, institutions and universities. You have meticulously given the guidelines regarding the participation of the event.

Your appreciation message and congratulations for my winning is extremely encouraging and inspirational. I believe that you have done justice with my result. My sincere thanks and regards.” – RUKSHANA JOSEPH KOTTAKKAL,MUMBAI (*Winner of Juked event*)

“It was indeed a pleasure and honor participating in your esteemed competition organized by our own institution. And to add icing to the cake, the double win has brought me great joy in this time of despair. I thank your concern for this amazing opportunity. From the date of announcement of event or if I may add, right from the date of initial arrangements of the event, the student coordinators have been an amazing team working tirelessly. The event was precisely organized by the entire team and thus the event was a grand success. The various events, the various prizes and all the opportunities were a gold mine for the participants. The department and the institution has given us all such an extravagant opportunity and experience during this time of grief i.e. the pandemic.” – SUJAN GANESH,CHENNAI (*Winner of Juked and Pictionary event*)

The overall objective to conduct INTELLECT2k20 online event during lockdown are for public awareness on COVID-19 which was achieved by satisfying 99% of the participants without compromising the standard of questions. Also for students events was achieved through participants enjoying fun experience during lock down, bring out their creativity skills, motivate their talents and learning new things.
