

Name of the programme	MECHA RUSH 2022 – A Technical Symposium
Date	26.5.2022
No. of Participants	350
Nature of participants	Students from various departments of nearby institutions and our institution.

PREAMBLE

The Department of Mechanical Engineering has been organizing technical symposium every year to develop the leadership and team working skills of the students. The competition also inspires students to be active and involved in the academic and co-curricular activities. The symposium was funded by the institution. Sponsorships were also received from companies collaborated with us.

This year's symposium MECHA RUSH 2022 was conducted on 26th May 2022. Chief Guest for the function, Mr. D. Janarthanan, Sr. Engg. Manager, L&T Ltd. attended the inaugural function and delivered the inaugural address. Dr. N. Raja Hussain, Additional Registrar delivered the presidential address. Dr. H. Siddhi Jailani, Professor and Head of the department welcomed the gathering. Dr. S. Rasool Mohideen, Dean, School of Mechanical Sciences felicitated. The symposium was coordinated by Dr. A Arockia Julias, Senior Assistant Professor of the Department. The student co-ordinators for the symposium and faculties of the department organized the events.

In this student festival five technical events namely RC CAR, Water Rocketry, CAD Modelling (Sponsored by Mosaique), MachinIT, Group Discussion and five non technical events namely Connection, Fitness, Futsal, Tug-of-War, and PUBG were conducted. The event posters are attached. In most of the events students participated in large number with enthusiasm. Different committees comprising of students, supporting staff and faculty members were formed to conduct the symposium. Faculty members of the department monitored the events and selected the winners.

About 350 students participated in this technical festival. Students from neighboring institutions like SRM, CIT, St. Josephs, JAIN, and AMS also participated and competed along with our institution. Cash prize, Gift vouchers and Certificates were issued for winners and runners of each event on the same day during the valedictory function. Participation certificates and gift coupon were also given for all the participants. Rs 2000 gift vouchers for winners of all the 10 events and gift coupon for all the registered participants was sponsored by TRIPR Fashion. Special gift for winners of CAD Modelling was sponsored by Mosaique Pvt. Ltd. Technical Events were sponsored by Ambit Automation and Non Technical Events were sponsored by Fathima Jewellery.

ROBO CAR RACE

WIN CASH PRIZES

Hey, let's check how your Eye and Hand is coordinating while driving your OWN BUILT ROBO CAR in a track which is fully filled with different hurdles.

Wait!!
Before starting your build, just check out the rules and regulations below!

- *Breadth of the car must lie within 180mm
- *Length of the car must lie with 220mm
- *Remote control can be wired or wireless (wired control is preferable)
- *The team can have maximum of 2 members
- *Evaluation of the event co coordinators will be the final.

ENTRY 100

WATER ROCKETRY!!

The event provides an opportunity to learn craftsmanship and science technology ..More than that it must be interesting seeing its fly right?
Now common, register for the event and we'll meet at the arena!!!

Rules and Regulations:

- *The water bottle quantity must be up to 2 to 2.5 liters.
- *The team can have maximum of 3 members
- *Launch Pad will be provided. You can bring your own launch pad too (Own launch pad gets extra points)
- *Evaluation of the event co coordinators will be the final.
