Award of Seed money to promote the Faculty/ student projects 2020-21

B.S Abdur Rahman Crescent Institute of Science and Technology offers Seed money to all the faculty of the institute to take up small Research projects by themselves or by their students (both PG and Research) and submit the same for funding through proper channel for evaluation. The seed money cheque (2020-21) was given to the seed money awardees on 11-30-22.

Our office helps not only to enhance the number of publications in the Scopus indexed journals but also to file their findings in the form of sponsored projects and Patents. Applications were invited from the faculty and research supervisors for the year 2020-21.

The seed money for the year 2020-21 has been sanctioned for 26 faculties. 6 faculties have received the full seed money amount as per the order and completed their projects successfully. The remaining faculties wish to continue the project as they have initiated the work. In view of this, a committee has been formed with the following 3 persons to evaluate their claim, completion status of the project and provide recommendations.
