Total number of participants attended the workshop: 120

Department of Computer Science and Engineering, B S Abdur Rahman Crescent Institute of Science and Technology has organized a technical seminar on "Information Ethics And Visualization" on 17th February 2023.

Around 152 Students of II Year B.Tech CSE, 55 students of II Year B.Tech (Artificial Intelligence and Data Sciences), 18 students of B.Tech CSE (IoT) and 23 students of B.Tech (Cyber Security) have actively participated in the workshop handled by Dr.R.S.D.Wahida Banu, Principal, Government College of Engineering, Salem-11(Jan.2012 – July 2016). The workshop was coordinated by Dr.A.Alif Siddiqua Begum, Dr.I.Karthiga, Dr.J.H.Jaseema Yasmin, AP/CSE.

Objective:

- To learn the basic concepts of Ethics and Visualization
- To intend the students for mastering knowledge and skills necessary for successful start of professional activity in the domain of Information Visualization.

Activities during the workshop:

The first half of the session focused on the introduction to Professional Ethics, where the students actively involved in the session. In the beginning, they were taught fundamental aspects of Ethics.

Moreover, this seminar topic narrated the difference between various visualization techniques. Also, the wide facets of the major factors that affect the performance of the human perception. Finally, the seminar ended with hot trends in Information Visualization.

Outcome:

• The students were able to work on the concept of Ethics on Information Visualization for a better professional environment filled with human morals.
