

Seminar Report on

"College to Corporate"

held on 17th April (Wednesday), 2024

The seminar on "College to Corporate" gave an insight about the quality skills required for the students to fulfil the corporate / entrepreneur requirements. The event was organized by Department of Mechanical Engineering and Department of Automobile Engineering in association with SAEISS MWC division.

The following resource persons were participated the event.

Mr. R. Govindarajan, Head Product Development- Global Testing and validation, Royal Enfield, Chennai. Divisional members from SAEISS MWC, Chairman – Dr. Baskara Sethupathy, Secretary – Mr. Vijayakumar, Treasurer- Dr. Kirthika, MC member – Dr. Arualanandam

Totally 125 students and faculty members of Mechanical and Automobile Engineering attended and benefitted from the seminar.

The event started with the welcome speech by Dr. A. S. Selvakumar, HoD/Mech followed by the introductory note about SAE by the Chairman, and the activities of SAEISS MWC by the secretary. Dr. H. Siddhi Jailani, Dean, School of Mechanical Sciences presented the memento to the Guest speaker. Dr. M. A. Sai Balaji, Asso. Prof./Mech and faculty advisor of SAE collegiate club introduced about chief guest and the office bearers of the SAE club for the year 2024-25

The resource person has given a wonderful presentation about the career roadmap 30 years & beyond based on his own experience. The speaker stressed how the students should plan their career for every five years by splitting his own 30 years' experience as six roles. The first role is about managing self, the second by managing set of people, third by managing teams. Fourth role is managing across cross functions, fifth is managing departments and finally about managing business. This is really a new concept which one could not find through google and is really inspiring. Finally, the seminar concluded with the vote of thanks by the SAE student chairman.
