

School of Computer Information and Mathematical Sciences
Department of Computer Applications
First year BCA-BSC –CS Orientation Programme Conducted on 24th July 2024

Conveners

1. Dr.Sharmila Shankar , Dean (SCIMS)
2. Dr.M.Syed Masood, HOD/CA

Programme Coordinators

- 1.Dr.Saharbanu-BSC -CS
- 2.Dr.Padmavathy-BCA CTIS
- 3.Dr.Sabin-BCA DS
- 4.Dr.Peer Mohamed Ziyath -BCA Cyber
- 5.Dr.Sonia-BCA AI

The first year BCA-BSC –CS Orientation Programme was held on **24th July 2024**, during 2.00 pm to 4.10 pm. The orientation session was organised by the Department of Computer Applications at the School of Computer, Information, and Mathematical Sciences.

The Welcome address by **Dr. Syed Masood HoD/CA** and Felicitations by Dr. Jaya Professor/CA and Dr. Pakkir Mohideen, Professor/CA.

The workshop focused on the following key takeaways:

- Introduction to the program which includes structure of the BCA and B.Sc Program core subjects, electives, specializations and curriculum details.
- Grading System and study Skills.
- Faculty Introductions.
- Campus Resources:
 - Access and use computer labs and libraries.
- Introduce various student clubs, societies and extracurricular activities.
- Academic, career development and personal support.

By covering these areas, the orientation program can help new BCA and B.Sc students feel more prepared and confident as they begin their studies. Overall, an effective orientation program lays a strong foundation for students' academic and personal growth, leading to a more fulfilling and successful university experience.
